

A tropical beach scene at sunset. The sun is low on the horizon, creating a bright orange and yellow glow in the sky and reflecting on the water. Several palm trees are silhouetted against the sky, with one large palm tree leaning over the beach from the left. The water is calm with gentle waves washing onto the shore. The overall mood is peaceful and scenic.

SAIL THROUGH SCENIC GERMANY

Germany, as we see it on a map today with a reunified West and East, is not that old of a country. Forged from dozens of squabbling principalities in the 19th century and rebuilt after two World Wars and 50 years of political division, Germany is one of the most picturesque and welcoming nations in Western Europe. Its flat northern borders align with Scandinavia and the Baltic Sea, while to the south the Alps and vineyard- adorned rivers capture the attention of outdoor enthusiasts and romantics in search of castles.

River cruising itineraries have provided a delightful road map for exploring Germany. Cruises on the Rhine and Moselle Rivers along its western borders, showcase the influence of the Romans in Trier, woodcarvers of the Black Forest, the oldest university in Heidelberg, and the castle and vineyard-dotted villages of the Rhine. The Main River, just south of Frankfurt, flows east and west for perfect access to the famous medieval villages of the Romantic Road

all the way to Nuremburg where it meets the Danube. These narrow river vessels with deluxe stateroom accommodations and regional gourmet dining are the perfect size for navigating the locks of Germany's rivers and porting right in the center of an Alt Stadt (Old Town) where local guides take you on walking tours of treasured churches, town halls, and of course, shops of regional artisans.

Savvy travelers to Germany and its neighboring countries like to sandwich a river cruise with a few pre-days in the city of embarkation to get over jet lag and allow a more in-depth exploration of an iconic city. A two or three day stay which includes a transfer from the airport, a well-located hotel in the city center, a few tours, and perhaps a dinner cruise or folklore show sets the stage for a great vacation. A similar city stay at the conclusion of a river cruise is the perfect finale to a fairytale visit to charming Germany.
