

## Premium Ground Transportation **ACROSS THE GLOBE**

Carey International is the global leader in innovative, chauffeured service solutions, customer-centric travel technology, and ground transportation logistics management. Thanks to unparalleled franchise network they have been able to provide world-class service, unparalleled safety, consistency of service, and general peace of mind to the world's most discerning travelers since 1921.

## BEYOND COMPARE

An **international service** network spanning 1,000 cities

**World-class chauffeurs** that have undergone in-depth training courses, in addition to comprehensive background investigations and ongoing drug and alcohol screenings

**24/7 customer service**, and a baseline customer service rating of 99.5% maintained by all Carey operations

A fleet of **meticulously maintained** and inspected vehicles, with a maximum age limit of three years for all sedans and SUVs

A **99.9% safety rating** and a minimum of \$2 million in liability insurance coverage for every single trip

A **groundbreaking suite** of secure, transportation management technologies that enable unrivaled communications, integrations, and reporting

# SERVICES

## TRANSFER/POINT-TO-POINT

Direct transportation between two geographic locations, most frequently to and from airports and other transit hubs.

## AS-DIRECTED (HOURLY CHARTER)

A chauffeur and vehicle at a passenger's disposal for as long as necessary, relying on arranger-provided pick-up information.

**MEETINGS & EVENT SERVICES** Managing the complex logistics unique to large-scale travel programs for thousands of events every year.

**PRIVATE AVIATION GROUND TRANSPORT** Carey has managed ground transportation specifically for private aircraft for over 22 years, serving more than 1,500 private airfields worldwide.

# THE TECHNOLOGY YOU NEED

Carey specializes in making complex travel logistics seamless. They have developed a groundbreaking suite of integrated technologies that consolidate all of your transportation management needs, custom-designed for all travel-related platforms so that all relevant information is available to those in your business that need access to it.

The Carey Connect Travel Management Platform, Carey Mobile App, and Carey® Website allow you easy access to the information you need, and integrate with some of your favorite travel and expense management tools, such as SAP Concur, Deem, Groundspan, and more.

*Enhance Your Travel Experience*

## **WITH THE CAREY FLEET**

The diverse Carey fleet captivates with possibility, featuring a full line of luxurious well-maintained, non-smoking vehicles. All vehicles in the Carey fleet are late-model (sedans and SUVs fewer than 3 model years old and vans and specialty vehicles that are less than 5 years old) and held to the highest standards of safety, maintenance, and presentation.
