Why Collette?

“Great quality for the dollar spent. Professional, fun, safe and approachable tours and staff.”

– Joyce Cadwell, Heartland Tours

“Just wanted to share a quick story. I was booking two ladies on Sunny Portugal...when I told them that the only nonstop flights were from Newark, they said forget it. When I told them that they would get door-to-door service, they said – book it!”

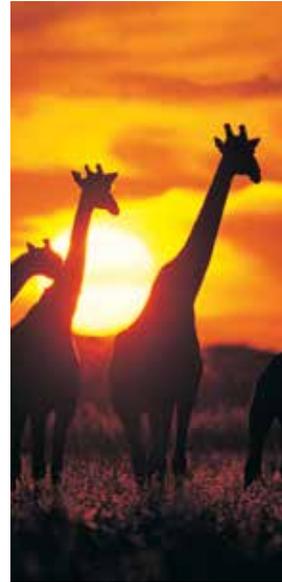

– Bob Silverman, Majors Travel of New Dorp, Inc.

“My clients returned from their trip to Italy. I’m writing to share with you their total satisfaction and enjoyment of everything involved with their trip. The itinerary was well-designed, their tour guide was exceptional and added much pleasure and insightful knowledge. They had a good group of travelers, adding fun on the bus and friendships for the future. I know they will travel with Collette again and recommend you to their friends. I, too, am confident in promoting Collette, for knowledge and value and dependability.”

– Doris Bjorklund, Travel on Park

“When our customers come to me for advice on their next trip, they usually want to know three things: destination with hotel locations; what is included (meals and excursions); and most importantly, they want to know that the price they are going to pay is a value when they add up the whole package. My experience with Collette has always hit the trifecta!”

– Chris Harris, Central Travel
