

## **CIE Tours Travel Update – March 24, 2020**

In response to the evolving COVID-19 situation and in accordance with government travel advisories and restrictions, **CIE Tours has suspended the operation of all departures to all destinations through May 31, 2020.**

Our customer service team will be working with all guests affected by these cancellations to assist them in rebooking the land portion of their travel. If airline tickets were purchased through CIE Tours, cancellation fees and any changes in airfare are dependent on airline terms and conditions and will be reviewed on a case by case basis. Airline penalties may apply. Different terms and conditions apply to group bookings; please contact your group advisor for more information.

### **Other Travel Departures**

At this time all tours beyond May 31, 2020 are operational, but we will be updating this page and contacting customers when and if this changes.

If you have any specific questions about active or pending travel with CIE Tours, contact your travel advisor or call 1-800-243-8687.
