

Office of senior Deputy Director-General

Tourism Experience Administration

09.03.2020

Ref: 1100-0005-2020-671429

Re: **Corona Virus Daily Update - 9.3.2020**

The following is the daily update as related to the Coronavirus outbreak:

- As of **12/3/2020** at **20:00**, all visitors who desire to enter Israel from everywhere worldwide, must attest that they can go into self-quarantine for 14 days. This cannot be arranged at a hotel or any other accommodation which is not a private residence.
- Until 12/3/2020 at 20:00, tourists can enter from the designated countries allowed and entry will be denied to the designated countries such as China, South Korea, Japan, Taiwan, Hong Kong, Thailand, Macau, Italy, Germany, France, Spain, Switzerland and Austria and Egypt.
- Tourists already in Israel or arriving before 12/3/2020 at 20:00, can continue their travel route as usual as they keep the following guidelines:
 1. If the tourist doesn't feel well, the health responders must be called (101)
 2. Proper hygiene measures should be made
 3. Public areas that are crowded should be avoided
 4. The agent or guide should keep an account of all sites visited
- Land crossings to Jordan will be closed immediately. Tourists in Israel who have flights from Jordan or vice versa, tourists in Jordan who fly out of Israel - must go to the border 6 hours before the flight with proof of flight tickets. Please try to avoid use of crossings as there may be difficulties in permission for passage in the near future.

Sincerely yours,

Pini Shani

Senior Deputy Director General

Tourism Experience Division
