

Dear valued partners,

As many of our customers are already aware, Avanti Destinations has taken the action to cancel all bookings traveling on or before May 16. Travelers can opt to either receive a Land Future Travel Credit or a refund. To assist you and your customers during this unprecedented time, you will now have **20 business days** to decide how to proceed with the cancellation. Please reply to the cancellation notification email within this time frame or call us at **1-888-970-0341** to speak to a Travel Consultant Monday-Friday 8:00am – 4:00pm PT.

For more information concerning our COVID-19 Land Future Travel Credit option, or our current policies, please visit www.avantidestinations.com/covid-19.

Best regards,

Mark Grundy
