

Aloha travel partners,

We want to extend our mahalo for your understanding and flexibility during these uncertain times. We appreciate the pressure you may be facing to market and promote Hawaii through your online channels. As the state's marketing organization, it is our first responsibility to ensure the safety of visitors and residents alike.

With the 14-day quarantine extended now through 6/30 and visitor arrivals reaching peak levels since the quarantine, we feel it is critical that potential visitors know about these important restrictions. We ask that you please ensure the special alerts link at <https://www.gohawaii.com/special-alerts-information> is featured prominently on your website's homepage and on any Hawaii destination pages.

We continue to update the Alerts page with the latest information on COVID-19 as it affects visitors to Hawaii. Below is the most current Another helpful resource is <https://www.hawaiiauthority.org/news/alerts/novel-coronavirus/>.

Further updates from the Hawaii State Department of Health (DOH) are available at <https://health.hawaii.gov/news/covid-19-updates/>.

We sincerely appreciate your support to ensure the safety of Hawaii's residents and visitors. We eagerly await the time when we can welcome visitors back to our islands and look forward to working with you on our recovery together.

Mahalo and warmest regards,
Robyn
