

Dear Travel Advisor,

As I communicated last week, Travel Impressions is happy to offer new Travel Protection Plus options, effective Monday, June 8.

Your customers will continue to enjoy the same great coverage they're accustomed to, including Cancel For Any Reason, our Price Guarantee, and Trip Mate post-departure insurance. New next week, they can select from three options for refunds starting at \$59.99 per adult: 100% Travel Credit; 50% Cash Refund & 50% Travel Credit; and 100% Cash Refund, all at different price points. Plans include commission protection of up to \$200 per room depending on the option selected.

While costs have risen as a result of COVID-19, it is extremely important that each and every customer is protected. We hope that by offering more options, all travelers will select Travel Protection at the time of booking. Please remind your customers that effective for new bookings made June 1 onward, cancelled air-inclusive bookings WITHOUT Travel Protection Plus will be refunded (after applicable penalties) in the form of a future travel credit, held on the original booking.

Click here for details on our enhanced Travel Protection Plus program. We hope you will join us at one of our **upcoming webinars** to be held June 3-5 covering the many benefits of Travel Protection Plus and the new options available.

All of us at Travel Impressions thank you for understanding the need to make policy changes to protect our businesses and customers in these changing times. We look forward to working hand-in-hand with you as we venture upon the road to recovery, and appreciate your support!

Warm Regards,
