Tucán & Quetzal are taking a break to return better than ever.

At Iberostar, evolution and continuous improvement are part of our essence. That is why our **Iberostar Waves Tucán & Quetzal** resorts are preparing for a **complete renovation**.

The same jungle, with brand-new colors.

From **May 15th to November 30th,** we will be taking a pause to perfect every detail. We are redesigning our spaces to elevate the experience, integrating the beauty of the jungle with cutting-edge facilities.

We will return stronger than ever, offering unforgettable moments and an even more authentic experience in the heart of the **Riviera Maya,** just 10 minutes away from the famous 5th Avenue.

What's on the horizon?

Revitalized Spaces:
A renewed aesthetic that pays tribute to **Mexican culture.**

Superior Quality:
Improvements designed to exceed the expectations of those who choose us year after year.

The Same Commitment:
The same welcoming spirit and sustainable heart, but with a vibrant energy and an **amazing beach**.

Guest Rooms:
Remodeling of **700 rooms**, including new categories such as One Bedroom Family and Junior Suite Ocean Front Swim Up, along with an increase in Two-Bedroom Family units.

Common Areas:
Total renovation of the **sundeck** and pool area, adding water slides, a tub, Padel courts, an oceanfront pool, and a Splash Pad.

Food & Beverage:
Renovation of **buffet and specialty restaurants**, creation of Star Café, Hamburger + Pizza snack area, Taquería, Ice Cream Shop, and Fun Bar.

Meeting Rooms:
Comprehensive transformation of **meeting facilities:** new architectural lighting, **premium** carpeting, and a refreshed aesthetic in a 4,589 ft2 space that can be divided into 3 independent rooms.

Stay tuned, because the jungle is about to reveal its new colors!
